- What should be the topic of the website?
  - It's your website.
  - Ideas: personal, professional, CV-like, topic based, blog like, etc.
- How should I do it?
  - Use a website platform: Wordpress, Wix, Squarespace, etc. You decide.
  - Did you know that you could host a website on GitHub? Just search for "GitHub pages".
- What is the deadline for the assignment?
  - Tomorrow morning, 9:00am ... just joking
  - It's an open ended assignment. Do it at your own pace.
